“ MPI has connected me with  
people I wouldn't have met if  
I never joined... ”

Working in the hotel industry for over 11 years, you learn the value of B2B. When I joined MPI I had one mission on my mind; “Build partnerships with vendors, planners and affiliates”. It's important to me that the people I meet can quickly identify me as the Catering Sales Manager they can trust to host their next event. Once you gain trust...you gain a partnership.

MPI has connected me with people I wouldn't have met if I never joined. I've had the privilege to host events at the Grand Bohemian Hotel and look forward to beginning my partnerships with MPI Members for years to come!
